Information and Coming Events:

Being a Christian is a personal matter, true. It is never a private one, as much as our culture has sought to convince us that it should be (and sadly, it seems to have won a great many victories in this realm). Personal, yes; private, no. When you are “born again” (John 3.3), you are born into a family. That family is, in part, a great extended family all around the world. But more importantly, as far as your life is concerned, and the lives of those to whom we bear witness, there is a particular family within a local congregation to which you must belong.

Starting **Sunday, July 25** and running for six Sunday mornings (07.25, 08.01, 08.15, 22, 29), there will be a class offered at 9am for any who wish to learn more, or who wish to pursue membership. This class does not obligate you to become a member, but it will answer a great many of your questions (or even objections).

And if you're currently a member, but never took a class that looked at the Bible to see what it says a member truly is; if you're a current member and you've never looked at what our Evangelical Free Church Statement of Faith really says; or if you're a member and could use a good refresher on membership...well, this is the class for you.

Prayers & Praise:

*“Rejoice always, pray continually, give thanks in all circumstances...”
1 Thessalonians 5:16-18*

- Give thanks to the Lord for blessing with such a wonderful day last Sunday at our Church Picnic. May His blessings rain down upon all who were there.
- Pray for the two young boys baptized last week. Ask God to carry on that work He has begun. Pray they would grow day by day more and more in love with Jesus Christ. Ask that they'd give their lives in service to their Lord and Savior.
- Ask God to be merciful to Barb Rigenhagen's sister, Sandy. She was diagnosed with several cancerous tumors on her brain. Sandy, and her husband, Keith, are setting up hospice care for the remaining time she will have in this life.
- Paul, Diann's son, has been diagnosed with Parkinson's disease. Ask God to work a great wonder in his life. Pray for Diann, to be a solid witness to God's mercy & grace in this situation.
- Grant Wilson's Evans Syndrome has been causing many difficulties in Grant's life. Pray the infusions he receives works effectively, that Grant would have both physical and spiritual strength through these days, and the testimony to God's goodness is clear to many.
- It won't be long and fall will be here. Along with it will be our many ministries kicking back into high gear. Pray for planning wisdom, volunteers with servants hearts, and blessing upon the Word of God.

Barb and Bob Rigenhagen would like to thank everyone for your prayers and cards of encouragement during our time of illness and operations that seemed like forever. We know that God was teaching us patience, but you all were very encouraging and it was very much appreciated! Thank you all very much! God is so faithful!
