Prayers & Praises:

Psalm 61.1-8

The rock that is higher than David must be higher than any man, for David was truly a mighty ruler. That rock must be divine indeed. This God of ours hears our prayers, and has an inheritance beyond measure for us all.

Use the images in this psalm as you pray to God: He is a rock (v.2), a refuge tower (v.3), a tent of sanctuary (v.4), and provides shelter under His wings (v. 4).
